Haroon Jamil *WordPress Developer*

haroonjameell11@gmail.com +92-304-4088033

52-A Saleem Block, Itaffaq Town, Multan Road, Lahore

EDUCATION

University Of Sargodha, *Master's Information Technology (MSC-IT)*

2019 – 2021

Passionate about technology, I hold an MSc-IT degree with expertise in software development, system analysis, and database management. I am eager to apply my skills in IT project management and continuously grow in the ever-evolving tech field.

The Superior College Lahore, *Bachelor of Computer Science*

2016 – 2018

With a Bachelor of Computer Science, I've developed a deep passion for technology and problem-solving. Skilled in programming, software development, and data analysis, I'm excited to use my knowledge to create innovative tech solutions and make an impact.

TECHNICAL SKILLS

HTML/CSS/Bootstrap

PHP/JS/React/RESTful API Integrations

SQL/SASS/Elementor Pro

Theme Development/Plugin Development

WordPress Multisite Setup & Management

Git (GitHub, GitLab)

With 4 years of experience as a WordPress Developer, I've successfully worked with multiple software houses and completed 20+ projects. I'm skilled at solving complex problems and delivering high-quality, user-friendly websites that meet client needs.
